

## Lewis & Clark Community College

# Bachelor of Science in Nursing - Accelerated Option

<http://www.siu.edu/academics/degrees-and-programs/undergraduate/accelerated-nursing/>

The post-baccalaureate Accelerated Bachelor of Science (ABS) in Nursing option allows students with a bachelor's degree in another area to attain a Bachelor of Science (BS) degree with a major in nursing through three (3) semesters and one (1) summer session. It is an intense, defined curriculum with a combination of classroom instruction and clinical experiences for students seeking a second baccalaureate degree from the School of Nursing.

Upon successful completion of the option, students are eligible to take the National Council Licensure Exam (NCLEX-RN) to obtain their license as a registered nurse. Students must be dedicated and willing to attend classes as many as five (5) days a week and devote an appropriate amount of time to their studies in order to be successful with this option. The full-time program begins in August (fall semester).

### Admission Requirements

Applications for admission are available from September 15-February 1. The application deadline is February 1 or until the option is full.

- Admission to the University (submission of a university application plus the \$40 application fee).
- Completion of a previous baccalaureate degree (in any major field) from an accredited college or university completed by the end of the spring semester preceding fall enrollment term.
- Official transcripts from all colleges/universities attended.
- 3.0 (4.0 scale) cumulative GPA as recorded by the degree granting institution in the term that the Bachelor's degree was awarded.
- All science courses must be completed within seven years of admission to the program.
- Completion of Accelerated Bachelor of Science (ABS) application.
- Prerequisite GPA of 3.0 on a 4.0 scale for the prerequisites **completed** by the application deadline of March 1 to be considered for admission. Any remaining prerequisites must be completed by May 31 with a minimum GPA of 3.0 for final admission (prior to fall enrollment in the ABS program).

- Successful completion of the following required prerequisite courses with grades of “C” or higher. A failed prerequisite course (D, F, or WF) may not be repeated more than once.

NOTE: CLEP exams for prerequisite requirements are only accepted if SIUE accepts the individual exam.

LCCC COURSES	SIUE COURSES
ENGL 131	ENG 101
^BIOL 141	BIOL 240a
^BIOL 142	BIOL 240b
^BIOL 241	BIOL 250
^CHEM 131	CHEM 120a/124a
MATH 145 or 235	STAT 107 or 244
PHIL 240 or 241	PHIL 320 or 321
PSYC 131	PSYC 111
*PSYC 232	*PSYC 205

^All science courses must be completed within seven years of admission to the program.

\*NURS 234 also meets SIUE’s Life Span Development requirement.
