## Lewis and Clark Community College Transfer Planning Guide – Traditional Transfer Option

### Admission Requirements

- Admission to the University (requires submission of a university application).
- Transfer students who have attempted at least 30 semester hours in courses will be automatically admitted to SIUE and eligible for Direct Entry to the Nursing major provided they have earned a minimum cumulative 2.0 GPA (4.0 scale) in coursework at the previous accredited school(s) attended.
- Transfer students who have attempted fewer than 30 semester hours in courses must meet transfer admission criteria AND first-time freshmen criteria to be automatically admitted to SIUE and eligible for Direct Entry to the Nursing major.

Admission requirements can also be viewed here: [Nursing - Traditional Option admission requirements](#)

The following is a list of courses Lewis & Clark Community College students should take while preparing to transfer to SIUE. These courses *should* be completed prior to matriculating to SIUE and *must* be completed with a grade of 'C' or higher to be eligible to enroll in SIUE Nursing courses. Students not completing these courses prior to transferring will be required to complete them at SIUE prior to enrolling in Nursing courses.
