### Bachelor of Science Degree Total 120

<sup>&</sup>lt;sup>1</sup>SIUE School of Nursing Online Course.

 $<sup>^{2}\</sup>mbox{Courses}$  must be completed to meet SIUE Gen Ed & graduation requirements.

<sup>&</sup>lt;sup>3</sup>Courses must be completed prior to NURS 475R.

<sup>&</sup>lt;sup>4</sup>Credit hours not included in LLCC total hours.

<sup>&</sup>lt;sup>5</sup>QR 101 proficiency exam is available at this link:

https://www.siue.edu/testing/tests/proficiency-list.shtml

<sup>&</sup>lt;sup>6</sup>If CMN 104 is completed, the EREG requirement will be satisfied but three elective hours may still be needed.

#### Additional Information:

\*Students must complete 50% or more of SIUE degree requirements at SIUE (120 hours are required for graduation).

Once a student entering the RN/BS program provides evidence of a current unencumbered RN license, the School of Nursing will complete an overall assessment of the student's work experience and the previously completed community college and university nursing coursework.

The School of Nursing may then grant up to 40 or 43 proficiency credits to provide the student with advanced standing in the nursing program.

These credits differ from the transfer of courses. If the student's college/university credits are greater than 5 years old, the candidate will need to submit a portfolio to demonstrate proficiency in the areas in which credit is sought along with evidence of a current unencumbered RN license.
