

**Lincoln Land Community College**  
**Associate of Arts**  
**Foreign Language and Literature**  
**Spanish, French Available**

Completion of an Associate in Arts or Science degree at Lincoln Land Community College fulfills SIUE’s general education requirements with the exception of an Interdisciplinary Studies course that all students must take during their junior or senior year at SIUE.

This “Transfer Program Guide” is an *example* of proposed curriculum for students to use while completing their associate’s degree. Reading, writing, and math placement could alter the course sequencing and transfer date. Therefore, students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying particular attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a Lincoln Land advisor; for additional information please contact the SIUE coordinator for advising and partnership programs. Please see “**Important Student Notes**” located on page two of this transfer guide.
