

**Southwestern Illinois College**

**Associate in Arts**

**FOREIGN LANGUAGE and LITERATURE**

Completion of an Associate in Arts or Science degree at Southwestern Illinois College fulfills SIUE’s general education requirements, with the exception of an Interdisciplinary Studies course that all students must take during their junior and senior year at SIUE.

This “Transfer Program Guide” is an **example** of proposed curriculum for students to use while completing their associate’s degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a SWIC advisor each semester. For additional information please contact the SIUE coordinator for advising and partnership programs in MC 1070. Please see “**Important Student Notes**” located on page of two of this transfer guide.

At least one minor is highly recommended and a double major is strongly encouraged. Courses taken at SWIC to meet SWIC’s general education requirements (including electives) can be used for the minor or additional major.
