1. **Continuous Improvement Conference (CIC):** It will be on Friday, March 29. This will be an ALL day conference and lunch is included. Poster sessions will be included in the afternoon. The theme for the CIC conference will be community engagement and collaboration. Speakers are being identified. A follow up for possible funding in the amount of $700 for breakfast has been made and it will be presented to the Faculty Executive Council for approval. Other charges/expenses may include equipment, catering, etc. Anne Hunter will look into it. All faculty members are encouraged to attend.  

2. **EUE Application Update:** The EUE application deadline is March 1. The provost is planning to announce the application process via e-mails. However, anybody who is interested in applying for the EUE funds can access the information at siue.edu/EUE. Lynn Bartel will assign individuals from the FDC committee to a sub-set of proposals to review. During the FDC meeting in March, the FDC committee members will make decision on the proposals to be funded.  

3. **Center for Faculty Development and Innovation- it almost ready.** The provost would like to have a nationally known speaker to give a presentation during the opening day, which is March 1. The name of the speaker will be announced in the near future. Anybody who would like to propose a name of a speaker from SIUE campus is encouraged to do so.  

4. **GIFT (Group Instructional Feedback Technique) information**-Faculty member access to GIFT link on the SIUE website is being resolved.  

5. **Public Comment:** No Comment from the public  

6. **Adjournment:** The meeting was adjourned at 3:55pm: Joseph Sobolewski moved and Elizabeth Cali seconded.
