Curriculum Council Chair Geoffrey Schmidt announced the approved Form 90s and Form 91s. Johanna Schmitz announced an omission from the Form 91 list: Kinesiology SOE 10-650 was also approved. A list follows the minutes.

It was agreed to go out of order of the agenda to accommodate schedules.

New Business:

1. Election of Council Chairs: The slate was presented by Jonathan Pettibone from the Faculty Senate Executive Committee as follows with a motion to accept the slate.
 - Curriculum Council: Susan Wiediger
 - Faculty Development Council: Musonda Kapatamoyo
 - Rules & Procedures Council: Morris Taylor
 - Welfare Council: Ken Moffett
 - Graduate Council: Marcus Agustin

Jonathan opened the floor for discussion. There was no discussion. The motion **carried**.

2. Confirmation of the General Education Committee Chair Appointment: A motion to accept Tom Jordan as General Education Committee Chair was made from the Faculty Senate Executive Committee (The Chair oversees all curricular matters concerning General Education including the transition to the Lincoln Plan) Zenia Agustin will be keeping the committee together during the summer until Fall when Tom Jordan takes over. Jonathan asked if there was any debate and there was none. The motion **carried**.
3. UPBC Faculty Representative Appointments: Timothy Schoenecker, Chair, recommended reappointing Susan Breck and Larry LaFond. There was a discussion. A separate motion to approve each appointment was made and **both motions carried**.
4. ICAC (Intercollegiate Athletic Committee) Faculty Representative Appointments: A motion from the Faculty Senate Executive Committee to appoint the following to the ICAC was made by Jonathan Pettibone;
 - Adrian Matejka (CAS)
 - Jim Zhou (Engineering)
 - Thad Meeks (Education)

The motion **carried**.

Report of the International Task Force: Ron Schaefer, Director, Center for International Programs presented a PowerPoint presentation of the International Task Force report. A copy is filed with the minutes.

Faculty Salary Equity Study Report: John Navin, Professor of Economics and Finance reported the results of the study. Faculty will receive a letter from their Dean with specifics on their equity raise. The timeline required to have the study done and raises in the payroll prior to April 22. There was a discussion. It was noted to thank John Navin and the committee for a thankless job.

Consideration of Minutes: The April 7, 2011 minutes were approved as written.

Action Items

- FDC Survey Report-Final-April 21, 2011: Susan Wiediger took questions and a typo was pointed out. Susan moved the report forward for approval with the editorial correction. The motion **carried**.

UPBC: Timothy Schoenecker reported that a proposal for a 9.9% tuition increase went to the Board of Trustees, but there was no action at that time. There are four new members on the Board of Trustees. The Governor has proposed flat appropriations for SIUE. If a 2.5% raise is approved, it will come in one lump sum in August.

IBHE FAC: Martha Latorre briefly summarized in her report the following topics of discussion:

- papers regarding 'Program Reduction and Closure' and how faculty should be involved in those kinds of decisions before decisions are made through shared governance
- articulation and remediation alignment for the successful transition and vertical alignment for students from K-12 to community colleges and then to a four year university or college
- online degrees
- current legislation that will affect higher education

ATSIC (Academic Technology Steering and Implementation Committee): Melissa Thomeczek submitted the following report;

There has not been a meeting since the last Faculty Senate meeting.

However, I did speak with Jennifer Vandever about concerns mentioned at the last Faculty Senate meeting regarding the SOPHOS anti-virus expiration issue.

Jennifer was indeed aware that there had been a problem with SOPHOS updating, but was not aware that there was still an existing problem. She looked into the ITS records. She indicated that:

- 1) The SOPHOS expiration issue was resolved as quickly as it was recognized by ITS and
- 2) Fewer than 20 tickets were reported to ITS about the SOPHOS expiration issue.

Jennifer also indicated that faculty should contact ITS directly with problems and not wait for a Faculty Senate meeting. She is happy to come to Faculty Senate in an effort to improve communication if we would like.

Melissa

Video Surveillance Committee: Steve Kerber reported that the committee will continue to meet through the summer hoping to have a revised document to first share with the Welfare Council and then to the Faculty Senate in September or October. Steve answered questions concerning video surveillance.

Council Chair Reports

Faculty Development Council: Susan Wiediger reported that letters for EUE went out and plans are being made for the Faculty Symposium in August.

Graduate Council: Rakesh Bharati reported that the Graduate council had 2 program reviews and about seven (7) Form 91As.

Curriculum Council: Geoffrey Schmidt included in his report that the last of undergraduate program reviews are finished. The Academics Standards and Policies subcommittee was charged with examining the plus minus system and will be on the agenda for next year possibly going to the Senate for approval in spring. Curriculum Council approved the AQIP report on streamlining the curriculum review process which will come to the Senate for approval in the Fall.

Rules & Procedures Council: Mary Sue Love reported for Karen Kelly. Karen will send a finalized report to Vicki in Governance Office. This year the Council looked at the Constitution and By-Laws and revised for the number of senators. Rules and Procedures oversaw the elections of president elect and new senators with all units reported except for one At-Large faculty senator from CAS. The evaluations of the Provost and Chancellor have been conducted and the report will be posted on Blackboard.

Welfare Council: Susan Yager reported on the continuing work with the HR policies (Tenure and Tenured Track Faculty Policy). Three sections are still undergoing discussion; drug testing, children in the work place and video surveillance policy. Susan will ask Vicki to post the policy on the Faculty Senate Blackboard. It will be posted for Faculty to review and share with colleagues and to please contact Senators if they have questions. The Welfare Council will continue in the fall working on the three

sections. H.R., Legal Counsel, Office of Provost and Welfare Council will continue to work on the Family Leave Policy.

Past President: Allison Fahsl reported that the work on the NCAA committee is finishing up, and she thanked everyone on the Senate for their hard work.

President Elect: Jane Gillespie had no report.

Jonathan Pettibone thanked all the Chairs of the Councils and the faculty. Attendance has been really good this year. Will put together a year end summary for the transition for next year.

Adjournment: With no further business Jonathan Pettibone adjourned the meeting at 3:59 p.m.

Approved as amended September 1, 2011 by the Faculty Senate

Marcelo Nieto <i>Assistant Professor, School of Pharmacy</i>	

Slide 2

Internationalization Task Force (ITF) Charge

Formulate a rationale and governing set of principles that would:

- Examine past and current international projects and activities on the SIUE campus
- Compare SIUE's international dimension with that of peer institutions and Illinois public institutions
- Assess the value and benefit of campus internationalization for SIUE
- Explore the potential and determine the strengths of SIUE for improved and effective campus internationalization
- Articulate a set of policy guidelines to build a strong foundation to internationalize the SIUE campus

Slide 3

Past internationalization studies

Two major reports

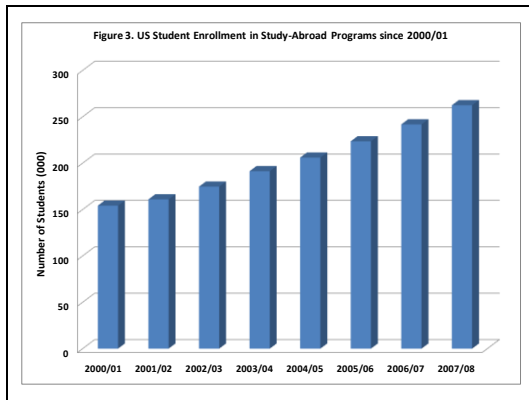

1979 Report

1. Establish an Office of International Education
2. Build an International House for international students,
3. Explore special tuition rates for international students after their first year,
4. Increase the number of international students,
5. Strengthen the language requirement for BA and MA students,
6. Create opportunities for students to study abroad and faculty to teach abroad,
7. Bring visiting professors from other countries to teach on campus,
8. Establish a permanent International Studies Committee,
9. Institute an international course requirement in the curriculum.

Comparative Conclusions for SIUE

SIUE does not appear to be leveraging its strengths:

- Comprehensive portfolio of academic programs,
- Affordability,
- Safe and aesthetically pleasing campus,
- Strategic location in metropolitan St. Louis,
- Proximity to an international airport,
- Respectable international faculty size
- Significant international student enrollment levels from 2000 to 2003.

Slide 14

Top fields of study for international students

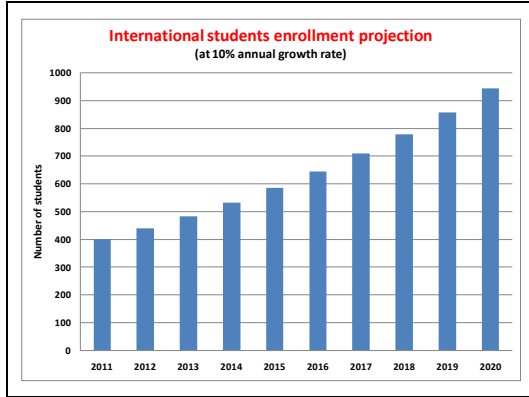

- Business and Management
- Engineering
- Physical and Life Sciences
- Social Sciences
- Math and Computer Science
- Health professions
- Fine and Applied Arts
- Humanities
- Education
- Agriculture
- Intensive English Program

Slide 15

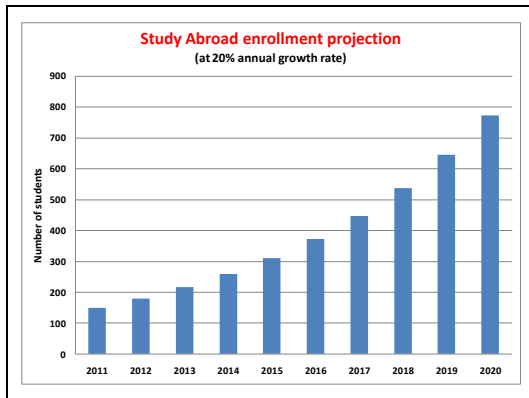

Recommendations

- Reactivate the Intensive English Program
- Hire a staff knowledgeable in international admissions
- Establish targeted financial aid program for int. students
- Initiate topic-specific summer programs for international and domestic high school students (green life, robotics)
- Initiate summer language programs for international and domestic high school students
- Seek ways to defray study-abroad cost (grants, fees)
- Establish a program in Graduate School to encourage faculty in research with international focus
- Design a functional website
