Faculty Development Council
November 21, 2013
2:30 p.m., Missouri Room, MUC

1. Announcements
   a. Update from Office of Academic Innovation and Effectiveness
   b. EUE Update
   c. TEAC Update

2. Consideration of Minutes from October 17, 2013

3. Unfinished Business
   a. Should Non-tenure track Faculty be eligible for Teaching Excellence Award? TEAC will be
      meeting to discuss issue. If the eligibility for the award changes, it will require a revision of the
      FDC operating papers and full senate approval.
   b. Continuous Improvement-like Conference scheduled February 21, 2014, Dunham Hall Theatre
      i. Format: A series of 20 min best practices presentations including:
         • Enhancing and reinvigorating experiential learning throughout the curriculum and co-
           curricular activities
         • Developing international programming and improving campus support for
           international students
         • e-learning initiatives (this team will have a variety of sub-committees addressing the
           strategic development of online courses and programs)
         • Innovating our pedagogies to support student learning and academic quality -
           enhancing learning in face-to-face settings
         • Innovating our pedagogies to support student learning and academic quality -
           enhancing learning in online, hybrid, and blended formats
      ii. Three presentations before lunch beginning at 10:30, break for lunch around 11:30,
          resume presentations at 12:30, finish at 1:30
      iii. At the end of the conference should we have Denise Cobb or the Provost give a summary
           including next steps?
      iv. Need name for Conference

4. New business: What is the role of FDC in faculty development? How can the FDC contribute to faculty
   development if there were no limitations on its activity?

5. Adjournment

The next FDC meeting will be January 16, 2014, 2:30 p.m. in Missouri Room, MUC
