Faculty Development Council Meeting Minutes: 1/21/2016

Absent: M. Schmitz, I. Blankson

Introduced new and continuing members.

Announcements: Jack Glassman, who had been serving as FDC Chair has resigned from senate, so he will no longer be serving on FDC in any role.

Consideration of minutes: There were no minutes from the previous meeting to consider.

Unfinished business:
1. Faculty Development Council--Lynn Bartels
   a. Goal is bringing together faculty who are working on FD across campus. Began with Ann Boyle, Parviz Ansari supported it, so does Denise Cobb. PA discussed a full time director and dedicated space, but that will not happen now.
   b. Midweek Mentors, alternating Wednesday (video and discussion).
   c. Outside speaker Henry Roddinger (Roddy)--Faculty, staff, students, bookclub about the book, now full.
   d. Blog about Faculty Development--always looking for writers, especially about MWM topic.
   e. Getting writing space up and running, coordinated by Sharon McGee.
   f. LB provided handouts—Midweek Mentor and Blog, Spring 2016; Faculty Development Workshops, Spring 2016
   g. Time to do another survey on Faculty Development topics identified as needed. The last one was in 2013.
   h. ACTION ITEM--LB wants to know what is going on in reps units (like Bb trainings).
   i. ACTION ITEM--LB would like to know from the FDC questions to ask (each unit needs to come up with questions that should be on the survey). LB wants them in the next two weeks. These can be revisions, or something that should be added. We will review these at the next meeting. Send these to her at lbartel@siue.edu
   j. ACTION ITEM--LB asks the FDC to review the Faculty Center website at www.siue.edu/facultycenter. Each member should take a look for how to make it more user friendly. We will project it at the next meeting and make comments and suggestions.

New business:
Election of new FDC Chair. Jack Glassman has exited
1. FS and created a vacancy. Nicole Klein volunteered to complete the semester as FDC Chair until next election.
2. Spring responsibilities--
   a. EUE. Wayne Nelson reported that about 15 have asked for EUE link. He will send out again on Monday. The dollar amount is $150,000. He solicited from awardees about impact and has put that up on the EUE site, he has asked faculty to send to him. Belinda said there used to be an impact award--a monetary award in the past. Might want to consider this in future—eg. $100 maybe for biggest impact in the past 5 years. Deadline is Feb 1st. We will review
the rankings and ratings at March meeting to determine the awards. WN will coordinate these reviews.

b. TEAC is a standing committee and will make a report to this council. There was no report made at this meeting. Kim Archer is the current chair of the TEAC committee.

c. Spring Symposium--FDC does the spring symposium (Feb/March). We have March 18th reserved. There is assessment data that the Provost's office wants to looks at to determine what will be covered. Perhaps we could showcase some of the EUE projects--those that are appropriate to share with other disciplines. Should be part of the next symposium.

d. Role of FDC in Faculty Senate--Stacie Kirk provided background as she served on this council previously. Our role is to pair with Provost's office to provide faculty support and development. We have partnership and working with Lynn to bridge the gap so there is a better sense of what is out there. Stacie wants the partnership with the Provost's office highlighted.

Public comment: None

Adjournment: Meeting was adjourned at 3:30pm
