1. **Continuous Improvement Conference**  
   Friday, March 31, 9:00-noon, MUC Conference Center  
   Tia Brown McNair is booked for the keynote 9-10.  
   We need to get speakers lined up for the rest of the conference.  
   Lynn is waiting to hear if she’ll do another session at the conference or not and try let us know on Thursday.  
   We should decide whether we want another track besides Wayne's EUE Showcase.  
   Since Tia is talking about High Impact Practices, we might have another track on High Impact Practices. We would need someone to organize that track.  

   **Here is a list of High Impact Practices**  
   Common Intellectual Experiences  
   Learning Communities  
   Writing-Intensive Courses  
   Collaborative Assignments and Projects  
   Undergraduate Research  
   Diversity/Global Learning  
   Service Learning, Community-Based Learning  
   Internships  
   Capstone Courses and Projects  
   Experiential Learning  

2. **Classroom Microaggressions Discussion**  
   Wednesday, March 1, 10:00-11:15  
   We would like to share videos of SIUE students talking about microaggressions they have experienced in their classes or from faculty members. If the videos aren't ready, we might have more of a case study type discussion.  
   Jessica Harris (Diversity Fellow, Historical Studies) has agreed to lead the discussion.  
   We'll need table discussion leaders too.  
   Lynn will contact discussion leaders and schedule a planning meeting soon.  

3. **Book club survey**  
   Here is a link to the survey. Lynn will bring paper copies as well and needs it back by our March 23 meeting.
