A motion was made and seconded to move Business and Action Items to the top of the agenda in order  
to accommodate the Academic Continuity Task Force Town hall. It was approved unanimously.

UNFINISHED BUSINESS:
There was no unfinished business.

NEW BUSINESS:
The University Planning and Budget Committee (UPBC) is an advisory board to the Chancellor for  
financial and other matters. Caban, Cobetto, and Toberman sit on the UPBC as Staff Senate  
representatives. The operating papers have not been updated for several years, and the committee is  
currently operating out of policy to allow for constituency groups that have been added since the last  
revision. The UPBC is a shared constituency body and is meant to be collaborative, however faculty  
have had a greater influence than others over time. A final version of the operating papers will be  
presented to the Staff Senate when completed, however there was a discussion to gather feedback to  
take back to UPBC. The Black Faculty and Staff Association and Graduate Council will officially be  
included, and there is an attempt to make sure that groups within constituencies have a voice.  
Language is also being included to cover resignations, allow for recall, and inclusion of any new  
constituency groups until a formal reallocation can occur.

A proposal to reallocate seats within the Staff Senate was presented and is attached. There was a  
discussion. It was moved and seconded to accept the amendments to the Bylaws as the first reading.  
Consideration of the amendments are tabled until the next meeting.

ACTION ITEMS:
Rex Jackson, Andrea Keller, and Katie Eilers were recommended to the Chancellor for the Staff Senate  
appointment to the SIU System Vice President for Diversity Search Committee. It was moved and  
seconded to approve the submissions. There was no discussion, and the motion was adopted  
unanimously.
The SIU Board of Trustees meeting is scheduled to take place on the same day as the next Staff Senate meeting. Action items will be moved to the top of the agenda for December.

**APPROVAL OF MINUTES:**
Minutes for the October 1, 2020 regular meeting was approved as written.

**PUBLIC COMMENT:**
Concerns that employees could be pressured if they need to quarantine were discussed, noting that many businesses are ignoring advanced mitigations.

Cobetto shared that at least one position has been eliminated, which resulted in a clerical unit employee being moved to the Alton campus from Edwardsville when utilizing bumping rights. Toberman recommended Capitol Fax for information on current issues. There was a discussion of the Governor’s remarks about painful cuts due to the failure of the Fair Tax Initiative, and it was noted that SIUE would not be able to absorb a substantial cut without losing positions.

**REPORTS:**
The Treasurer report was delayed while waiting on access to information.

The Open Range Constituency Representative, the Public Relations Committee, the Diversity Initiatives Committee, and the Scholarship Committee posted reports that are attached.

Dusenberry has been put forward as a potential new Chair for the Parking and Traffic Committee. Laura Scaturro is retiring and will stay on the committee until then, however she stepped down as Chair.

The University Center Board (UCB) shared that the E logo is being changed, and the Cougar Store has several upcoming sales for the holidays. The Morris University Center (MUC) is losing customers due to COVID. Student fees are going up about 2.6%, which includes the Student Success Center, Textbook Services, and the MUC fee. The Veteran’s Day lunch will still take place, however it will be grab-and-go.

The Intercollegiate Athletics Committee has been discussing fees. They discussed a potential 3% fee increase to the Student Senate, however students are not on board with any increases and are angry about the copay in Health Services and other fees. Athletics is struggling because they are not playing, and they will need to invest money to get students to events. SIUE has two buses, however one of them does not work well.

The Discuss List will be turned back on as a monitored, but not moderated, list. Five different groups will have a representative to help monitor the list.

The President reported that the mandatory COVID testing committee has been meeting about twice a week, and they are writing policy. There is uncertainty as the original plan has not been approved by the FDA yet. The Board of Trustees will need to approve funding; SIUC is partnering with their local hospital. Concerns about cost were expressed, especially in light of staff reduction. There does not seem to be a goal to get all employees back on campus, and approvals are still being done through supervisors.
ANNOUCENMENTS:
Announcements were reviewed as listed on the agenda.

FUTURE AGENDA ITEMS:
The second reading and vote on amendments to the Bylaws will be placed on the December agenda.

ADJOURNMENT:
The meeting adjourned at 10:35 am.
