Edwardsville/Glen Carbon is a vibrant, student-friendly community.

You won’t go hungry here! A mix of local eateries and popular restaurants offer Italian, Mexican, Asian, coffee, desserts and more

The fun awaits! A movie theater, live performance/classic film venue, escape rooms, comic shops, laser tag, historical sites

Shop ’til you drop! A great mix of local shops and popular retail chains

Experience the great outdoors! Walking/running/biking trails, a nature center, parks
SIUE’s commitment to its students is unrivaled.

Academic Excellence

The education our students receive equips them to thrive in the global marketplace and make our communities better places to live.

An SIUE education will prepare you for a successful career and a life of purpose.

- Broad-based high-quality education
- Hands-on learning opportunities
- Service projects
- Modern labs and studios
- Internships and externships
- Travel abroad

Faculty members incorporate original research and creative activities into classroom learning. Faculty receive grants and contracts from funding sources such as

- National Science Foundation
- National Institutes of Health
- Department of Justice
- U.S. Environmental Protection Agency

Art hives and anxiety. Slavery and hip hop. JUULs and cigarettes.
The Undergraduate Research and Creative Activities (URCA) program allows undergraduate students from all disciplines to participate in research and creative activities. These are just a few of the topics being studied. siue.edu/urca

Affordable Excellence

- Nationally accredited academic programs
- More than $160 million in scholarships and financial aid awarded last year
- Modern labs and studios
- Internships and externships
- Travel abroad

Our nationally acclaimed Senior Assignment Program will challenge you to demonstrate what you’ve learned through a comprehensive, creative project. SIUE students have

- Examined victimization of children in social media
- Evaluated the effectiveness of green roofs
- Improved wheelchair suspension systems

78% retention rate first-year to sophomore year
The focus on diversity and inclusion is what makes me proud to call SIUE home. The University supports all students, regardless of race, gender or ethnicity.

Truth, Racial Healing and Transformation (TRHT) Campus Center

- Preparing the next generation of leaders to confront racism and dismantle the belief in a hierarchy of human value
- One of 29 institutions in the nation to host a TRHT Campus Center
The College of Arts and Sciences offers more than 50 degrees, which lead to careers across a variety of professional fields.

- Natural sciences and math
- Humanities
- Fine and performing arts
- Social sciences
- Communications

A liberal arts education helps students develop the skills needed to face an ever-changing world and have success in the workplace.

- Communication
- Critical thinking
- Problem solving
- Integration of knowledge
- Application of knowledge
- Self-development
- Lifelong learning

Diverse learning opportunities and inspiring faculty will help you realize your academic and professional goals.

The modern Science Complex gives students access to the same state-of-the-art equipment found in research labs of future employers.

The Art and Design Buildings feature a spacious art gallery, painting and drawing studios oriented to bring in northern light, and expanded studios and critique spaces.
The College of Arts and Sciences represents the core of general education and learning for all majors and degree programs at SIUE.
An innovative business curriculum helps students develop the knowledge, professionalism and leadership skills required to excel in today’s world.

**Prepare for a career in business leadership**

- Study abroad
- Gain relevant work experience through an internship or co-op
- Attend professional networking events
- Participate in one of 12 student organizations

- The School of Business accounting and business programs are accredited by the Association to Advance Collegiate Schools of Business (AACSB) International.
- Less than 2% of business schools worldwide are AACSB-accredited in both business and accounting.

**Undergraduate Programs**

Accountancy
Business Administration
- Computer Information Systems
- Cybersecurity
- Economics
- Entrepreneurship
- Finance
- General Business Administration
- Human Resource Management
- International Business
- Management
- Marketing
- Supply Chain Management

SIUE’s proximity to St. Louis allows business students to gain real-world experience at major corporations, including nine Fortune 500 companies.

**Outstanding Business School**

- Sherwin Williams
- St. Louis Cardinals
- U.S. Army Corps of Engineering
- Walgreens Pharmacy
29 students earned more than $3.42 million last year, at internships and co-ops: Peabody Energy, Sachs Electric, Sherwin Williams, St. Louis Cardinals, U.S. Army Corps of Engineering, Walgreens Pharmacy.

Don’t own any professional clothes? We’ve got you covered! Students can visit the (free!) Cougar Career Closet before their next career fair or interview.

Last year, students earned more than $3.42 million at internships and co-ops.

Average hourly wage = $16.29
A Global Perspective

SIUE offers a rich cultural environment that contributes to the learning process and encourages the campus community to value global perspectives.

Students study abroad in 20+ countries, including
- Costa Rica
- China
- Uganda
- The Netherlands

Choose from hundreds of study abroad opportunities
- One- to six-week programs led by SIUE faculty
- Summer term programs
- Intensive language study programs
- Full semester at a partner institution abroad

You can study abroad!
- Travel and learn about different cultures while earning credit toward your degree
- Expand your world and stand out in the job market
- Study abroad programs range in cost—some cost even less than SIUE
- Most financial aid applies to SIUE’s study abroad programs
- A number of scholarships specifically support studying abroad
- With careful planning, you can easily stay on track to graduation

Peace Corps Prep Site: SIUE students can earn a certificate for preferred entry into the U.S. Peace Corps after graduation

Nearly 400 international students from 50+ nations

SIUE offers
- Strong support with admissions, immigration, academic advising and cultural integration
- Optional or curricular practical training and career placement services

Globally Focused Student Organizations
- African Student Association
- Arabic Club
- Asian American Association
- German Cultures Club

9 BIKE TRAILS

siue.edu/sustainability
The SIUE campus is so beautiful. The scenery makes each day a little better.

Hannah Sheahan, Troy, Ill.

The campus bike share program gives students, faculty and staff an easy way to explore the many nature and biking trails available on or adjacent to SIUE’s campus.
The University Honors Program at SIUE seeks those who excel as students, musicians, artists, athletes and outstanding leaders in their schools and communities.

An alternative general education program, the Honors Program provides students a “small school” experience with the benefits of being at a comprehensive university.

**Privileges and Benefits**

- Dedicated general education program
- Small class sizes that enable valuable connections with professors and peers
- A personalized academic journey, guided by a dedicated honors advisor
- Priority consideration for specialized housing
- Early registration for classes

---

*I feel excited and privileged to be a student in programs outside of my specific discipline. Those cross-disciplinary connections are vital, and I couldn’t imagine my undergraduate experience without being in honors.*

Allyson Butler, Macon, Ill.

*Undergraduate, two semesters, 15 semester hours each. Prices reflect academic year 2021-2022 base tuition rate. Undergraduate majors in the School of Engineering and the School of Business will be assessed a 15% differential tuition surcharge based upon the in-state rate. Studio and lab fees are charged in addition to tuition and fees. Undergraduate fees include the cost of renting basic textbooks. This program allows you to rent books instead of buying them.

**Based on a shared room in first-year residence hall, meal plan A, and includes campus housing activity fee. Visit siue.edu/housing for information regarding upperclass student housing.

First-Year Admission Requirements
Applications will be considered using the following factors:
- Meet published deadline
- High school coursework
- GPA
- Class rank

SAT and/or ACT composite score not required for admission

Deadline for First-Year Admission (Fall Term Entry)
Students can apply beginning June 1 prior to their senior year. Admission decisions will be made starting in early September. To ensure consideration for scholarships, the application and all supporting documents should be postmarked by December 1. Applications and/or supporting documents postmarked after May 1 may not be considered for admission.

Materials Required for Admission to SIUE
- Complete application
- Official high school transcript
- $40 application fee

Acceptable Credit
- SIUE accepts Advanced Placement (AP), International Baccalaureate (IB), transferable college courses and some CLEP credit toward a baccalaureate degree
- Proficiency exams are offered in many disciplines
- Additional credit may be offered for military service
- A complete list of acceptable credit is available online:
  - siue.edu/academics/undergraduate
  - siue.edu/transfer (click on Transferring Credit)

Getting Started Checklist – First-Year

- Register for Preview SIUE (siue.edu/preview) or schedule a virtual or on-campus visit (siue.edu/visit).
- Complete the application for admission and submit the $40 application fee using our mobile-friendly app at siue.edu/apply. Priority filing date for scholarship consideration is December 1 for fall term. Final application deadline is May 1 for fall term.
- Request your official transcript be sent to:
  SIUE Office of Admissions
  Campus Box 1047
  Edwardsville, IL 62026-1047
  Official transcripts may be submitted through various electronic transcript services and can also be sent to etranscripts@siue.edu directly from the institution. Transcripts received through this account from a student will not be considered official.
- Apply for admission and complete the Supplemental Profile (siue.edu/meridian) by December 1 to be considered for the Meridian Scholars Program (minimum 3.5/4.0 GPA) and School of Pharmacy Conditional Entry Program (minimum 3.5/4.0 GPA or 27 ACT/1260 SAT). Fall entry only.
- Apply for financial aid as soon as possible beginning October 1. SIUE FAFSA code: 001759 (studentaid.gov).

siue.edu/apply
SIUE is committed to providing a high-quality education that is affordable. SIUE offers several scholarships to first-year students to reward academic success and help cover the cost of your college education. Review additional scholarship opportunities at siue.edu/scholarships.

**MERIDIAN SCHOLARSHIP**  
Fall entry only

- **Full tuition, fees, room and board**  
  Over four years

Admitted first-year students with a minimum 3.5/4.0 GPA will be considered. Average GPA of selected scholars is 3.92.

Application deadline: December 1

An additional Supplemental Profile is required for consideration: siue.edu/meridian.

**JOHNETTA HALEY SCHOLARSHIP**  
Fall entry only

- **Up to $8,000**  
  Over four years as funding is available

Admitted first-year students with a cumulative 3.0/4.0 GPA will be considered. This scholarship is designed to support enrollment of students who are underrepresented in their field of study.

Admission application serves as scholarship application.

**COUGAR PRIDE SCHOLARSHIP**  
Fall entry only

- **Up to $16,000**  
  Over four years as funding is available

Admitted first-year students with a cumulative 3.0/4.0 GPA will be considered.

**THE SIUE COMMITMENT**

SIUE will cover tuition, mandatory fees and course-specific fees as funding is available for qualifying students:

- Must be an Illinois resident
- Family income must be less than $63,575 and assets less than $50,000 based on submitted FAFSA

The SIUE Commitment will help close the gap after utilizing financial aid from all federal, state and institutional sources, including merit-based scholarships.
Preparing to transfer doesn’t have to be daunting. We’ve developed a website just for you: siue.edu/transfer. You’ll find information about:

- Exploring SIUE
- Applying for admission
- Transferring credit
- Degree program requirements

Transfer Admission Requirements
Students who transfer with 30 or more semester hours post high school graduation from an accredited institution and a minimum cumulative 2.0 (C) GPA will be admitted to SIUE.

Students who transfer with fewer than 30 semester hours also must request a high school transcript and meet freshman admission requirements.

Transfer Credit
SIUE general education requirements are considered met if:

- Students have earned an AA or AS degree from an Illinois community college or an AA degree from a Missouri community college
- Students have satisfied the IAI General Education Core Curriculum/received the General Education Core Curriculum Credential: itransfer.org

The transcripts of students who have not earned an AA or AS degree, or those transferring from schools outside Illinois, will be evaluated course by course.

Other Acceptable Credit
- SIUE accepts Advanced Placement (AP), International Baccalaureate (IB) and some CLEP credit toward a baccalaureate degree (siue.edu/transfer)
- Proficiency exams are offered in many disciplines
- Additional credit may be offered for military service
- A complete list of acceptable credit is available online:
  - siue.edu/academics/undergraduate
  - siue.edu/transfer (click on Transferring Credit)

SIUE does not limit the number of transfer credits from other schools; however, at least 60 semester hours of credit must be earned at a four-year college or university. At least 30 of the 60 hours must be earned at SIUE. SIUE does not offer credit for hours earned at institutions that are not regionally accredited.

Getting Started Checklist – Transfer Students

- Register for Transfer Visit Days or Preview SIUE, or schedule a virtual or on-campus visit (siue.edu/visit).
- Complete the application for admission and submit the $40 application fee up to one year in advance using our mobile-friendly app at siue.edu/apply. Application deadline: four weeks prior to start of desired term. For academic scholarship consideration (awarded fall entry only), submit admission application and supporting documents by March 1.
- Submit official academic transcripts/records to:
  - SIUE Office of Admissions
  - Campus Box 1047
  - Edwardsville, IL 62026-1047
  Official transcripts may be submitted through various electronic transcript services and can also be sent to etranscripts@siue.edu directly from the institution. Transcripts received through this account from a student will not be considered official.
- Visit siue.edu/academics for program-specific prerequisites. Visit siue.edu/apply to view application deadlines for SIUE’s competitive admission programs.
- Apply for financial aid as soon as possible beginning October 1. SIUE FAFSA code: 001759. (studentaid.gov)
