What's a top college? One where students have a great experience and find success after graduation.

Our "outstanding commitment to diversity and inclusion" has been recognized for 9 consecutive years!
Just one look, that’s all it took.

Many students tell us they knew on their first visit that SIUE would be their new home. At 2,660 acres, our campus is big and beautiful. How big is that, really? If you were adventurous, you could fit 3,511 football fields or 2,745,120 king-size beds on our campus!

We’re a STAR!

The Sustainability Tracking, Assessment and Rating System (STARS) measures universities sustainability performance. SIUE has a Silver rating. Most campus buildings are LEED® certified or pending certification by the U.S. Green Building Council.

Plan your visit at siue.edu/visit. In the meantime, explore our campus through the virtual tour at siue.edu/virtual-tour.

High-end gaming computers, NVIDIA GeForce RTX 2070 graphics cards and Intel Core i5-8400 processors. All this and more can be found in the Esports Arena in Bluff Hall.

The Rock is a big chunk of the same granite used in the construction of the core campus buildings. Painting “the Rock” is a popular campus tradition.

Who’s up for a game of football or Quidditch? Students compete and play for fun on the turf and grass fields at the Rec Plex.

The hub of student life on campus, the Morris University Center (MUC) has it all: bookstore, Kimmel Belonging and Engagement Hub, convenience store, bowling alley, and so much food! Campus Dining options include the classics: entrees, salad bar, pizza and burgers; along with Chick-Fil-A®, Auntie Anne’s Pretzels® and Starbucks®.

Cheer on the Cougars! Division I Basketball, Volleyball and Wrestling compete in the First Community Arena at the Vadalabene Center.

Looking for a place to unwind and relax? The Gardens at SIUE is a popular place where students walk, sit, study and enjoy the beauty of nature.

Plan your visit at siue.edu/visit. In the meantime, explore our campus through the virtual tour at siue.edu/virtual-tour.

Success. It’s no secret at SIUE.

College is going to be an adjustment. You’re making new friends, managing class assignments, finding your way around campus and learning more about yourself. Let us help you settle in, stay on track and find success.

- Academic planning.
- Accommodations for diverse learners.
- Career services.
- Counseling support.
- Health clinic.
- Tutoring and writing support.
- A bright and cheerful place to study or catch up with friends.

You’ll find it all in the Student Success Center.

We’ve got you!

An upperclass student mentor—we call them Cougar Connectors—can show you the ropes.

Practice and learn winning strategies and skills with Student Success Coaches.

Supplemental Instruction offers group study sessions for those really tough classes. Think chemistry, physics, math…

Underrepresented Students on the Rise

- Black Scholar Experience
- Student Opportunities for Academic Results
- Community-Oriented Digital Engagement Scholars
- Summer Success Program

Through programming, events and so much more, The Hub provides opportunities for belonging and engagement, leadership and service, ways to better understand community connections and taking action—all while supporting you as you learn about your own identity and impact.

Cotton candy and cupcakes are good for the soul. Springfest, Homecoming and other campus celebrations offer the chance to unwind and have fun with friends.
At SIUE, what you learn in the classroom is only the beginning. The opportunities for hands-on learning are seemingly endless. You may find yourself on an archeological dig, interning in a prosecutor’s office or clearing beaches in Costa Rica for sea turtle nesting season.

School of **Business**

siue.edu/business

Our accounting and business programs are accredited by AACSB International. **Less than 2% of business schools worldwide** can say the same!

**Why should you care?**

- It guarantees you’re earning a quality degree
- Potential employers know you are ready for success

**Prepare for the global marketplace**

- Internships and co-ops at major corporations in and around St. Louis
- Professional networking events
- Business student organizations

The business world is competitive...especially when you’re starting out. Our students prepare for a successful career and stand out among the competition by choosing to travel and study in China, England, Germany, Japan and more.

When it comes to business schools, **WE’RE ONE OF THE BEST!**

You can make a profound difference in the lives of children, families, and individuals in your community. Become a highly qualified health professional or pre-K-12 classroom teacher through the exploration of healthy living, optimal instruction and learning, and organizational improvement.

- Performance fitness testing
- Virtual classroom simulations
- Studying the effects of physical activity on mental health
- Diabetes and atherosclerosis research

**Learn it. Make it. Eat it!**

Students learn about the science of food, prepare for careers in dietetics and other life sciences, and test their cooking skills in the nutrition lab.

**Bring your competitive spirit!**

Our student design teams consistently place well in regional and national competitions.

- Concrete canoes and bowling balls
- Mini Baja, Formula and Solar Cars
- Robotics
- Steel bridges

**School of Engineering**

siue.edu/engineering

Everywhere you look, almost everything you see has been created or made better by engineers, computer scientists, or construction managers. At SIUE, you’ll join risk takers, innovators, adventurers, and collaborators working together on complex and rewarding projects that make the world a better place.

**Actually, it is rocket science.**

The Engineering Building is 200,000 square feet of state-of-the-art design team workspaces, classrooms, and 55 engineering laboratories where our innovative students design the future.
Our reputation precedes us
Our nursing graduates are heavily recruited by surrounding hospitals and healthcare centers who know all about our commitment to outstanding patient care.

Your calling to care for others is a perfect prerequisite for a nursing career. Our program centers around providing compassionate, high-quality patient care that meets the needs of a diverse and ever-changing population.

A+ Well Done!
98% of the Class of 2023 passed the Integrated National Board Dental Exams on the first try!

We keep our classes small, so you’ll get to know your classmates and professors. It’s the perfect environment to prepare to be one of the best dentists in the country.

We’re #1!
Our graduates’ NAPLEX exam pass rates have been #1 in Illinois and Missouri for the last 10 years and among the top 25 in the nation the last 5 years. This mega test is required in order to be a licensed pharmacist.

Students Serving the Community
- Give Kids a Smile Day
- Veterans Dental Care Day
- Special Olympics/Special Smiles
- National Children’s Dental Health Month

Clinical experiences are available in urban, rural, acute care and critical access settings throughout the metro St. Louis area and through global service trips.

Become a vital member of the healthcare team, committed to improving patient care by helping people live stronger, healthier lives.

Trauma-informed care is part of the pharmacy curriculum in order to prepare students to better care for patients grappling with pain and suffering.

Bride of the City

“This work addresses themes of agency, vulnerability and violence; of particular concern are issues of violence against women and objectification of the female body. Every choice in creating this piece was made with the intention to juxtapose and unify the ideas of outward vulnerability and inward strength.”

Financial Aid? Tell Me More!

Important: File the FAFSA as soon as you can beginning in December at studentaid.gov

Nearly 40% of our first-year students who file the FAFSA receive enough aid (Federal Pell Grants + Illinois MAP Grants + SIUE Aid) to cover 100% of their tuition and mandatory fee charges.

There are many factors that will impact your financial aid package. See what costs might look like for you siue.edu/paying-for-college/estimator

What is financial aid?

- Grants don’t need to be paid back and are awarded based on financial need.
- Scholarships don’t have to be paid back and are awarded on academic merit.
- Loans have to be paid back with interest.
- Work study provides on-campus work experience and a paycheck to use toward tuition or living expenses.
- Learn more at siue.edu/financial-aid.

The SIUE Commitment

We’ll cover tuition, mandatory fees and course-specific fees as funding is available for qualifying students:

- Must be an Illinois resident
- Family income must be less than $63,575 and assets less than $50,000 based on submitted FAFSA

The SIUE Commitment

We’ll cover tuition, mandatory fees and course-specific fees as funding is available for qualifying students:

- Must be an Illinois resident
- Family income must be less than $63,575 and assets less than $50,000 based on submitted FAFSA

Fine print details & additional scholarship opportunities

Nearly 40% of our first-year students who file the FAFSA receive enough aid (Federal Pell Grants + Illinois MAP Grants + SIUE Aid) to cover 100% of their tuition and mandatory fee charges.

There are many factors that will impact your financial aid package. See what costs might look like for you siue.edu/paying-for-college/estimator

What is financial aid?

- Grants don’t need to be paid back and are awarded based on financial need.
- Scholarships don’t have to be paid back and are awarded on academic merit.
- Loans have to be paid back with interest.
- Work study provides on-campus work experience and a paycheck to use toward tuition or living expenses.
