Count Down to Caring

United Way is **THE WAY CARING COUNTS** in St. Louis. Each fall we launch a campaign to fund our 71 agencies that are the safety net for the oldest, youngest, poorest and most vulnerable cities of our community.

This year's goal is \$71 million. Behind that number are stories large and small that describe tragedies turned to success by United Way agencies. We hope you will take a minute to better understand United Way of Greater St. Louis and help us count down with a generous contribution.
