Philanthropy

- **National Service Project:** Habitat for Humanity
- **National Philanthropy:** Pine Mountain Settlement School
- **Adopt a Highway**
- **Pink Hair for Hope** fundraiser for the American Breast Cancer Society
- **Bumps for Humps** volleyball tournament
- Raised more than **\$12,000** last year
- All members donate time to another organization and philanthropy
- SIUE chapter **sponsors \$5000** national scholarship

Athletics

Alpha Sigma Tau is very active in athletics all over SIUE's campus.

With a powderpuff game between the sororities, intramural sports, step show, or cheering on your sisters, there's something for everyone!

Want to join the Sisterhood?

The Beta Eta chapter holds formal recruitment in the fall and informal recruitment in the spring.

We pride ourselves on the **lifelong friendships** and **unforgettable memories** that have shaped our college years. Our shared ideals of sisterhood, leadership, academics and service bring us together.

Social

Every year, Alpha Sigma Tau holds social events like themed mixers with the fraternity men, Fall Informal, and Yellow Rose Formal. We also participate in Homecoming, Springfest and Greek Week.

Academics

Alpha Sigma Tau has the **highest GPA** on campus of all social Greek organizations. We hold study hours to help keep GPAs above 2.6. We have an academic banquet honoring our achievements and giving out scholarships.

Members of the sorority have majors ranging from genetic engineering to music performance, so there is someone who can help, no matter what your major!
