The company has also been honored with numerous awards including the 2006, 2007 and 2008 Louie Awards for Best Wedding.

## Weddings

No two weddings are exactly alike. Many share common traditions, but at the heart of every wedding are two extraordinary people who hold their own individual style, dreams, and expectations. At Cosmopolitan Events, we pride ourselves at creating memorable and joyous events that celebrate the personality of the couple. Our goal is to unite the limitless possibilities of what can be done into the everything-just-came-together magic of a thoroughly enchanting event.
