

Dear Ms. Moon,

I am submitting the enclosed event editorial regarding the release of the life after cancer documentary. On behalf of Evan Bartlett and I, we would like to announce that we will be premiering our documentary, "Discovering the Beating Path," at the United Church of Christ Midway on April 17, 2013 at 7 p.m.

We are certain that this editorial will interest many of your readers. It will act as a follow up for the first article that you wrote about our journey this summer. We would like to thank those that supported us and made the trip possible.

I will follow up with you in a couple of days to discuss your interest in a follow up story.

Sincerely,

Elijah Accola
