Cougars on the Prowl

The STARs at SIUE are a recognized student organization through Kimmel Leadership Center. Because of the nature of the organization, the STARs operate out of the Office of Admission Counseling and Recruitment.

STARs volunteer their time to introduce prospective students and their families to the SIU Edwardsville campus. Incentive points are awarded for each tour and event, with awards given at the end of the spring semester.

Each STAR is responsible for conducting one campus tour per week and must participate in at least two special events per semester.

Letter From Our Advisor ...

Hey Guys,

Let me start by saying that this year has gotten off to a great start! I have been hearing great things about the STARS and the campus tours. I want to reiterate that we are the 1st impression of SIUE! (always remember that) Remember to be on the lookout for potential STARS and let them know that they can get in contact with myself for further information and the application. As mentioned before, you all have been doing a GREAT job and we want to keep it up but a few housekeeping things as follows. Make sure that you are on time for your tours and if you will be late or can not make it let me know as soon as possible. Be knowledgeable and refer back to your STAR manual if you have any doubt about SIUE facts. If you have not picked up your t-shirts please do that sometime soon because you will need them for photos in november. I hope that you all continue to have a great year.

Kelley
