GO CARDS!!!

OUR MISSION TO SUCCESS!!!!

Just like the first semester, my classroom is designed to be a warm, peaceful environment in which the students can help each other out and be who they want to be without being criticized or judged. BULLYING WILL NOT be tolerated and will be dealt with accordingly to the School Handbook. Joking around will be tolerated to a certain extent until it starts making the students uncomfortable or scared. This semester we will strive to make it a better one and we will, as a class, strive to make it a bright and fun-filled semester.
